EXPERIENCE

Philadelphia Chinatown Development Corporation - Digital Content & Marketing — Mar. - Sept. 2026

- Created Instagram Reels, promotional graphics, and social media captions to promote Chinatown businesses and community events.
- Edited and refined short-form videos for Instagram, contributing to follower growth from 600+ to 1,000+.
- Developed and updated website pages using WordPress, Elementor, and HTML/CSS/JavaScript to showcase community events.

Airbnb App Redesign Project - Solo UX/UI Designer — Apr. - Jun. 2025

- Identified opportunities for microinteractions in Airbnb to enhance user experience and optimize interaction flow.
- Designed UI and interaction elements using Figma, and implemented smooth interaction animations with Jitter.
- Conducted usability testing with peers and incorporated feedback from the professor, confirming improvements in usability and interaction efficiency.

ZARA Website Redesign Project - Solo UX/UI Designer — Sept. - Dec. 2024

- Conducted UX research on ZARA's official website to find usability and accessibility issues and establish redesign goals.
- Redesigned the website interface in Figma to improve clarity, efficiency, and accessibility.
- Conducted usability testing with three participants to validate accessibility and usability improvements in the final prototype.

DMV Kiosk Redesign Project - Team-Model Designer & Builder — Dec. 2024

- Collaborated in a team of 4 to improve accessibility of DMV kiosks for users with physical disabilities.
- Designed and built a physical kiosk model, proposing an adjustable screen with a slider mechanism.
- Conducted usability testing under both standing and seated conditions.
- Improved accessibility in the final prototype through testing with both seated and standing users.

Chinese Culture Promotion Project - Group Leader & Video Producer — Jan. 2023 - Apr. 2024

- Led a 4-person team to promote traditional Chinese culture and multicultural awareness through creative video content.
- Organized team meetings and finalized topics based on group discussions.
- Reviewed scripts and provided edits to ensure clarity and accuracy.
- Coordinated the team during filming and edited the final videos using CapCut.
- Published final videos on the school's official YouTube channel.

ACTIVITIES

Participant, Philadelphia Mural Arts Program, Oct. 2022 - Jun. 2023
